ACKNOWLEDGEMENT

I extend my hearty thanks to Ms. Niva Shrestha, chemistry teacher, and Ms. Roshna Dulal, our lab teacher, who guided us to the successful completion of this project. I express my deep gratitude for their invaluable guidance, constant encouragement, constructive comments, sympathetic attitude and immense motivation, which has sustained my efforts at all stages of this project work.

I owe my deep gratitude to the Principal Prof. Dr. Pramila Rai, Head of Chemistry Department, Ms. Sharmila Bajracharya, United Academy, Lalitpur, for their encouragement and for all the facilities provided for this project work.

I can't forget to offer my sincere thanks to my classmates who helped me to carry out this project work successfully & for their valuable advice & support.
